Alan Starr has worked with ALPHA for over 20 years.

He will talk about his commitment to ALPHA for Prisons and share his experiences, and the process, outcomes, and benefits of bringing God to inmates through the ALPHA program.

Two ex-inmates will give witness talks on life in prison and re-integrating back into society.

We will have updates on programming in the various prison facilities throughout the Diocese of Toledo.

*My church has been running Alpha since the Fall of 2001. We are currently running our 106th Alpha course.*

*I have been leading Alpha since we started and have helped in some fashion on all of the courses, personally leading approximately 80 courses.*

*We began running the Alpha course in The Ohio Reformatory for Women (ORW) in 2004, and we've run 37 courses so far. I have also led three courses at Noble Correctional Institution (NCI).*

*Over these last 18 years I've developed several resources and a training guide, and I've helped train well over 100 table leaders. I've been a National Alpha Prison Advisor since 2005.*
